

## Fall Events Wrap Up

The warm and dry fall weather helped the success of recent events including Phillips Farm Funday and the Dr. Marc Taylor Memorial Walk. At Phillips Farm, kids enjoyed a wonderful "Critter Show", hayrides, a scavenger hunt, pumpkin picking and decorating, hiking and delicious home baked treats. The last hike of the season was held at Platt Farm Preserve and was a joint endeavor with the Pomperaug River Watershed Coalition. Dr. Marc Taylor was a leader in both organizations, and it is a pleasure to think of him and his many contributions by hiking on gorgeous, preserved land.
