

Gerald Ivers Scholarship Awarded

Robert Miller, a Southbury resident and graduate of Pomperaug High School, was the recipient of the Gerald A. Ivers Scholarship. Robert is planning to attend The University of CT in the fall, majoring in molecular and cell biology. After college he would like to pursue a master's degree and then a career in gene editing research. Pictured: Julie Stuart, Administrative Director of the Southbury Land Trust and Robert Miller.

Eagle Scout Project Completed

Thank you to Andrew Vela and his group of helpers, for his work at our Platt Farm Preserve in June. As part of his Eagle Scout Project, old fencing was removed and new posts, along with 650 feet of new fencing was installed. Pictured: Back Row, Left to Right: Regina Badura (SLT Stewardship Director), Barrie Vela, Alex Abraham, George Abraham, Hank Jensen, Tommy Drumm, Rodney Diaz, Aidan Markward. Front Row: Jackson Papaioannou, Andrew Vela, Anthony Vela

Koons Preserve Open

The Koons Nature Preserve, accessed from Spruce Brook Road, is now open to all for passive recreation. This preserve is a 40 acre parcel that was named in honor of Walter and Harriet Koons, who assisted with the acquisition of this property. The property is most known for the viewings of Spruce Brook which drops over 170 feet forming numerous waterfalls and plunge pools. Thanks once again go out to those who are volunteering their time to help clear and mark the trails after the severe damage from the May 2018 tornado. [Click here for Koons Preserve Trail Map](#)
