

## Guided Hike On Tap

Please Join us!

Please join us for a guided four mile hike led by our Director of Stewardship, Regina Badura. We will meet at the entrance of the Bassett Preserve located at the end of the cul-de-sac on Turrill Brook Drive (off Brown Brook Road). There are some hills, but nothing extremely steep. We anticipate the hike will take about two hours. No pre-registration is required.

### Winter Guided Hike

**Bassett and Ivers Preserve**

**Date:** Saturday, February 20th, 2021  
*snow/rain date: Saturday, February 27th*

**Time:** 10 AM - 12 Noon

**Location:** Park and meet at cul-de-sac  
on Turrill Brook Drive, Southbury

We will offer a guided, 4 mile rigorous hike over rolling hills, along ridge lines, through deciduous forest and wetlands. Bring water and wear sturdy boots. In case of rain/snow call SLT office at 203-264-4441 or email: [jstuart@southburylandtrust.org](mailto:jstuart@southburylandtrust.org) to check status.

## HIKE MORE • WORRY LESS

### Winter Hiking Challenge

Put on your boots, snow shoes or cross country skis and hit the trails! Track your miles and earn a new badge. Additional prizes for stellar achievements including highest total mileage, best winter photo captured and most miles on SLT Preserves.

**The Challenge:**  
3 months  
(Jan/Feb/March)  
30 miles

Compete the challenge and earn either "badge", a vinyl sticker for your laptop, water bottle or car window!

## Winter Hiking Challenge

### Congratulations to our early achievers!

Congrats to three ambitious hikers who have already achieved the Winter Hiking Challenge: Jason Morroni, Lisa Cesare and Mike Lyons. All three completed over 30 miles in the month of January! Impressive!

This challenge continues through the end of March and requires participants to hike 30 miles over 3 months. Those who complete the challenge receive a "badge". There will also be prizes given at the end of the challenge for best hiking photograph, most miles hiked and most miles hiked on SLT Preserves. Be sure to keep track of your miles and submit to: [jstuart@southburylandtrust.org](mailto:jstuart@southburylandtrust.org)

Participants can also join our facebook group to share photos, hiking locations, courses and feedback: <https://www.facebook.com/groups/500853880887401>

## 5K Course Added to Phillips/Lovdal Map

For those who are interested in hiking our new 5K Course, we have an updated map available on our website <https://www.southburylandtrust.org/trail-maps> and it will soon be at the kiosks. The start and finish of the course can be accessed at 400 Sanford Road at the entrance of the Phillips Farm Preserve.

## Flanders Offers Land Trust Hot Topics

Flanders Nature Center is offering a series of programs called "Land Trust Hot Topics". One of them will be led by Regina Badura, SLT's Director of Stewardship. The program called "Community Projects on Land Trust Properties", will be held on Thursday, February 18th at 7:00 PM. Click below to see the details on the programs offered.
